

ALLIANZ PRODUCT TRAINING – NOT ACTIVE

Please go to <https://secure.reged.com/TrainingPlatform/>. This will take you to the RegEd site. Once you have come to the new page, you will need to either log in if you already have an account or register if you don't have an account.

When you log in to RegEd, it will take you to the Product Status page. On the left hand side, you will see a tab called Enter Producer Code(s) (should be one of the first options). Click on this tab. Once in this area, enter the code according to the attached

Once you enter the product code, a training link will appear. Please click on the training link to begin the slide show product training. Please make sure you view EVERY slide. If ALL slides aren't viewed, then Allianz won't accept this as being completed and you will have to complete everything all over again.

Once you are completed with the training(s), if you would please print and send the certificate to me so we have proof that you have taken the training that would be great. This helps so if the carrier tries to come back and say you haven't completed it.

You may email the certificates to: producerservices@ashbrokerage.com

Or fax to: 1-260-479-6090

*****Please remember this must be completed before the submission of an application.**

Please let us know if you have any questions or concerns.

Thank you for your time and your business,
